The Nathan Ring Family to Brazil

Reaching Gauchos with the Gospel

Titus 1:5

“Set in order the things that are wanting and ordain elders in every city.”

Dear Pastor,

We are the **Nathan Ring Family** going to **Porto Alegre, Brazil**. We are going out under **Fellowship Baptist Missions** a ministry of our local church, **Fellowship Baptist Church** in Taylors, SC. God has specifically prepared us for this particular field. The Lord allowed me, Nathan, to grow up in Brazil. I learned Portuguese and the culture of southern Brazil. The Lord has permitted me to attend Bible College and Seminary in preparation for the mission field. During these past 8 years, the Lord has given me opportunities to work at Fellowship Baptist Church. I have been involved in the bus ministry, bible club, outreach, and choir, and in teaching adult and children's Sunday School classes as well as children's church. I desire to go back home with the training I have received and reach the Gauchos of southern Brazil. The Lord has prepared the way for me; He has made it so that the moment we step off the plane we can get involved in the ministries to which he has called us.

Sarah grew up in the Sandhills of North Carolina. At a young age, she was burdened for missions. Using a missions trip, the Lord called her to serve on the mission field. She attended Fellowship Baptist Church while pursuing her degree in Elementary Education. She participated in the choir, bus ministry, bible club, and Sunday School. After 3 years of elementary school teaching, she is now ready to home school our children on the field. She also desires to train the next generation of children in Brazil. Although she did not grow up in Brazil, Sarah has been to Brazil on three separate occasions, and she is confident that this is where the Lord would have our family to serve Him. We are confident that God has called our family to serve in the southern-most state in Brazil.

We are believers in the local church as God's means of spreading the good news of salvation to the current generation. As we are sent out of a strong local church, our goal is to plant sound, Bible-based local churches that will further spread the Gospel. We are committed to serving the LORD in Porto Alegre through church planting, evangelism, discipleship, and Bible institute classes. The Lord has established a sound Bible college in Porto Alegre, Brazil where we can also serve. This ministry was started through several missionaries in 2003. It is our goal to assist this ministry in the training of the next the generation.

We are looking for like-minded churches to partner with us in this ministry. Will you prayerfully consider allowing us to share God's call on our life with your church? We are seeking churches that God wants to partner with us through prayer and consistent financial support. Will you help us to “set in order the things that are wanting, and ordain elders in every city” (Tit. 1:5) in the southern most state of Brazil?

All Praise to Christ,
Nathan, Sarah, and Mordecai Ring
